

8 April 1958

Lt. Col. Alden M. Hoffman
U.S. Army Strategic Intelligence School
Washington 25, D. C.

Dear Col. Hoffman:

As you requested, I have reviewed the section of your Strategic Intelligence text dealing with Economic Intelligence. I share your opinion that it needs revision; many of the views expressed in it are outdated or inaccurate and some seem beside the point.

Since the present version seems to me to be wholly inadequate I have taken the liberty of drafting a new version rather than attempting detailed criticism of the old. I trust you will find it useful.

Sincerely,

25X1A9a

Enclosure:
Section VI of Basic Strategic
Intelligence Text
